## **REcro RANKS AMONG HIGHEST-SCORING BUSINESSES ON INC. MAGAZINE'S ANNUAL LIST OF BEST WORKPLACES FOR 2021**

Fairfax, VA (May 12, 2021) – Recro has been named to *Inc.* magazine's annual list of the Best Workplaces for 2021. More specifically, Recro claimed honors in the Micro division (Companies with <50 employees). Hitting newsstands May 18 in the May/June 2021 issue, and as part of a prominent Inc.com feature, the list is the result of a wide-ranging and comprehensive measurement of American companies that have created exceptional workplaces and company culture whether teams are operating in person or remotely.

Collecting data from thousands of submissions, *Inc.* singled out 429 honorees this year. Each nominated company took part in an employee survey, conducted by Quantum Workplace, on topics including management effectiveness, perks, and fostering employee growth. The organization's benefits were also audited to determine the company's overall score and ranking.

“The definition of a positive workplace has changed drastically over the past year,” says *Inc.* magazine editor-in-chief Scott Omelianuk. “Stocked fridges and nap pods were no longer perks many companies could rely on once work went remote. So, this year's list is even more important as it reveals organizations that continue to enrich the lives of its employees amid a pandemic.”
